Director of Association Services
Cheryl Page

Executive Secretary
Pat Davey
THE YEAR, 2012-2013

President Deborah Hensley led the organization through continued financial challenges and an economy in flux by working toward lowering expenses and increasing revenues. The SUNA Board of Directors continued to find ways to be fiscally responsible in a time of budget deficit and declined membership. SUNA continued to strive to find a balance of enhancing membership value by offering more quality, evidence-based educational programs and products/services that truly matter to our members with fewer resources. Expenses continued to be closely monitored and reduced in many areas across the organization in an effort to gain back financial stability. The Board of Directors fully supported this effort with a series of initiatives undertaken to meet this goal. Eliminating the Awards Luncheon at the 2013 Annual Conference and discontinuing the Approver Unit are two examples of the board’s proactive approaches to sustain SUNA’s ultimate success. Despite these great financial challenges, SUNA continued to use the strategic plan to develop new goals and projects in line with our Mission, Vision and guiding beliefs to lead this organization. President Debbie Hensley appreciated the board of director’s positive attitudes and how to continue to best meet member’s needs.

Management Company- Anthony J. Jannetti (AJJ): Cyndee N. Hnatiuk, EdD, RN, CAE, was appointed as interim Executive Director until January 2014, when Michael Brennan was appointed as SUNA’s new Executive Director. Michael has been with AJJ since 1996, as the Director of Conferences and concurrently serves as the Executive Director of CBUNA, our certification board and the Executive Director of Gerontological Advanced Practice Nurses Association (GAPNA). SUNA is very fortunate to have Michael join forces with SUNA this past January. Another significant change was the retirement of Cheryl Underhill. Cheryl served SUNA for 18 years as the Director of Association Services. Her leadership was significant to the success and daily operations of SUNA and her knowledge and enthusiasm was appreciated by all members. SUNA was very fortunate to have Cheryl Page join our SUNA team and has made a very smooth transition for the board of directors as well as the entire organization.

SUNA membership: as of 10/2013 was 2,307 with 38 active chapters. The membership campaign, “Score with Four or More” was implemented again due to previous successful programs. The 2012 - 2013 campaign had 88 recruiters participating with a total of 145 new member recruited to SUNA. Any SUNA member who recruits 4 new members will receive a free one-year SUNA membership AND be entered into a drawing to win a free registration to SUNA’s Annual Symposium or Annual Conference. The 2013 winner of the membership was announced at the SUNA Annual Conference in Chicago: Concetta Pinta, BSN, RN, member of the Chicago Metro Chapter.

2013 Corporate/Sustaining Members: 24 companies joined SUNA’s 2013 Sustaining Corporate Membership Program. Twelve joined at the Corporate Level and 12 joined at the Sustaining Level. Two new companies that joined at the Corporate Level were AbbVie and US Med. Our corporate sponsors are an essential partners and a source of financial support for SUNA.

GAUN (Global Alliance of Urology Nurses): Member organizations include SUNA, British Association of Urological Nurses (BAUN), European Association of Urology Nurses (EAUN), Australian & New Zealand Urological Nurses Society (ANZUNS) and Urology Nurses Association of Hong Kong (UNAHK). GAUN’s mission is to seek to foster a global urology nursing alliance to promote excellence, share knowledge, and set standards for quality urological nursing practice and patient education for all levels of professionals. Members of GAUN met in Milan, Italy at the EAUN meeting March 16 – 19, 2013. Jeff Albaugh, represented SUNA as our Liaison. GAUN members continue to collaborate on curriculum, guidelines and standards for urologic nursing at all levels of practice. Leaders from BAUN and EAUN were represented at the 2013 Annual Conference in Chicago to exchange ideas, share and develop resources and competencies. BAUN President, Phippa Aslet and colleague Bruce Turner presented the popular session, Evidenced-Based Preparation for Prostate Biopsy: UK Perspective. In addition, SUNA member Cindy Dobymer-Dittrich presented on Interstim Practices in the US at the BAUN Annual Conference on November 5, 2013 in Harrogate.
Education:
SUNA continues to be the authoritative nursing organization for urologic education. As another step towards our Strategic Plan, Rosemarie Marmion, SUNA Education Director, led the way to implement the new 2013 ANCC guidelines, which includes specific criteria related to Evidence_Based_Practices. The 2013 Annual Conference Planning Committee was finalized in January 2013 and implemented the virtual planning meeting phone calls in order to reduce budget expenses. In addition to nursing contact hours, Pharmacology hours were available and CMEs were also awarded to our PA colleagues.

SUNA Online Library:
Members can access quality continuing education by obtaining the specific content needed for their practice focus and complete it online at their own convenience. The SUNA board approved to offer members a new free monthly CNE in 2013 in response to the membership survey and efforts to increase member’s usage of the online library as well as help membership satisfaction and retention. The Sacral Nerve Stimulation Power Point was revised and reapproved in December 2012 and available for member’s use for the usual CNE fee.

Urologic Nursing Journal:
Urologic Nursing was selected as one of the journals listed in the 2012 NAHRS Selected List of Nursing Journals. The Journal On-line Repository was implemented in 2013 thanks to a generous sponsorship from the Great Lakes Chapter. This exclusive funding sponsored the repository containing articles dating back to 2010 through the end of 2013. There will be opportunities for other chapters to sponsor in future years. The January - February 2013 journal issue also started a new CNE format to obtain CNE credits via ProLibraries on the SUNA On-line Library. This now provides for more print space in the journal as a full page per CNE article is no longer required for the evaluation form. The journal continues to be a great member benefit under the leadership of Editor, Jane Hawks.

UroGram:
The Urogram continues to be a great resource of SUNA News and Events under the guidance of Editor, Jeanne Held-Warmkessel and Managing Editor, Kathy Thomas. The Urogram became an exclusive online publication in May 2013. A page-flip version of the newsletter was introduced with the July 2013 issue. The board approved to transition the Urogram as a quarterly publication beginning in January 2014. Issues are labeled Winter (January), Spring (April), Summer (July) and Fall (October).

Social Media:
As part of SUNA’s marketing plan, SUNA is promoted on Facebook and is a valuable resource for member networking and promotion of educational events and news. SUNA had over 700 fans in 2013 and growing!

Approver Unit Closing:
The Approver Unit was closed effective April 1, 2013 due to the costs associated implementing new 2013 ANCC criteria as well as a struggling economy and SUNA budget. The SUNA Board of Directors carefully considered other options and
made the decision to discontinue the Approver Unit to keep SUNA financially sound. The Approver Unit offered SUNA Chapters a convenient and inexpensive avenue for obtaining CNE for members. A special thank you is due to those who served as reviewers and chairs on this important committee over the past years.

Urologic Nursing: Scope and Standards of Practice, 2nd edition: This document was recognized and approved by the American Nurses Association in June 2012. This approval meant that the ANA recognizes urologic nursing as a nursing specialty. The workgroup task force was led by Debbie Hensley and Amy Driscoll. The publication was finalized and published in September 2012. This important resource is available for purchase online in the SUNA store.

SUNA Core Curriculum for Urologic Nursing (1st Edition) This publication is well underway.. Co-Editors, Jean Wyman and Diane Newman along with Carol Ford, Managing Editor are working hard to insure the Core is a comprehensive, relevant and high quality publication. Barbara Broome completed the nursing theory and framework for the core with a colleague from the University of South Alabama, School of Nursing Kay Lynn Olmsted, Asst. Professor. This comprehensive publication is anticipated to be completed in the Fall of 2014.

Other Publications:

Prostate Cancer Resource Now Available Exclusively in SUNA’s Online Store
A guide for men and their partners, Reclaiming Sex and Intimacy After Prostate Cancer is a research-based book that addresses sexual issues with prostate cancer treatment and provides guidance on having a fulfilling sexual relationship after diagnosis. Written by SUNA member, Jeffrey Albaugh, PhD, APRN, CUCNS, who has cared for thousands of patients with sexual dysfunction and prostate cancer, the book will help readers understand treatment options and their side effects, increase knowledge about sex and intimacy, prevail over erectile dysfunction, and learn how to preserve maximal penile function after treatment. This resource is now available exclusively through the SUNA website.

Medikidz: SUNA had the opportunity to collaborate with Medikidz in creating a pediatric educational comic book (utilizing Super Heroes) discussing intermittent catheterization. Debbie Hensley and Valre Welch reviewed the various drafts. The comic books are now printed and available through the SUNA online store.

Health Monitor Network: SUNA supported to co-promote a Prostate Cancer Treatment Guide developed by Health Monitor Network.

Website:
The website was updated in February 2013 to be more current, dynamic and offer easier searches and navigation for members. Thanks to Todd Lockhart for his work on the website redesign. The website remains current, relevant and informative under the creative leadership of Kathy Thomas, Website Coordinator. Mary Anne Wasner extended her term to serve as the Associate Website Coordinator this past year.

Forums: The SUNA Forums were another added feature to the website in June 2013. The Special Interest Group (SIG) Forums serve as a platform to communicate the latest clinical practices, news and ideas to our members that share similar practice areas. The Forum is a member benefit that adds value and continuous networking to our membership. Member testimonials are encouraged and posted on the home page. This feature is open to anyone who wants to share or offer credibility about our membership. Forms can be found under the “About Us” tab.

Ambassador Program: In June 2013, the SUNA board approved to launch an Ambassador Program at the 2013 Annual Conference in Chicago. This program was initiated as a result of member feedback on conference evaluations and as another step in keeping with the priorities established in our Strategic Plan to enhance effective communication and engage our members. This program was also created as a way to mentor and involve new SUNA members and first-time attendees to a national conference. The first Ambassador Program in Chicago welcomed 44 new members and/or first-time attendees to make them feel a part of the SUNA family.

Legislation: Legislative Chair, Francie Bernier, resigned at the conclusion of the 2103 Annual Conference. Francie kept SUNA active and informed of initiatives and legislative issues of the Nursing Community for the past 3 years. Her commitment and expertise were much appreciated. The appointed 2013 - 2014 incoming Legislative Chair is Mary Meskel from Chicago.
**Foundation:** The SUNA Foundation continues to thrive under the leadership of Ardeth Hale. The 2013 Symposium raffle fundraiser raised $3100 and the 7th annual SUNA Foundation Silent Auction raised a total of $5630. The Foundation continues to award multiple scholarships each year including to members who apply for an opportunity to attend a national conference. A new award was introduced at the 2013 Annual Conference entitled, The Ardeth Hale Leadership Award. It was developed to honor one of our most outstanding and deserving members, Ardeth Hale. Ardeth has been a member of SUNA since the inception of the American Urological Association Allied (AUAA) in 1972. She became certified that same year as a Certified Urologic Registered Nurse (CURN). Since first starting her volunteer service as the President of the Portland Chapter in 1973, Ardeth has consistently served in various capacities of SUNA at the national level. The first recipient awarded this distinguished award was Jean Lewis. The award is sponsored by Industry Partners and private donations.

**Research:** In December 2012, the executive committee approved to fund the YIRP application from Gwendy Beer, Margaret Gurule, and Yuko Komesu for their research project titled, “Cycling versus Continuous Mode in Neuromodulator Programming”. The funding will total $12,000 once the project is completed. No further research funding is available at this time. YIRP/EIRP funding applications were pulled from the website until more funding can be secured.

**BCAN:** In November 2013, the SUNA board approved a collaborative partnership with the Bladder Cancer Advocacy Network (BCAN) to help promote the awareness of bladder cancer and improving public awareness. SUNA members are invited to participate in BCAN webinars and to organize local bladder cancer fundraiser walks as a community service effort. SUNA promotes these activities on the SUNA website and E-Newsletter. BCAN was very grateful for the efforts that urology nurses continue to make regarding the annual walk to raise awareness of bladder cancer and raise funds for BCAN. In May 2013, there were a total of 66 walks of which 10 involved urology nurses.

**SUNA/AUA Collaboration:** SUNA Leadership continues efforts to strengthen our relationship with the AUA. It is essential that SUNA increase the AUAs awareness of the expanded roles of the advanced practice professionals in the clinical setting. Dr. Lawrence Ross is the current AUA liaison to SUNA. The executive committee had a conference call with Dr. Ross in January 2013 to further discuss how our organizations could collaborate. Each organization’s board leaders came up with agendas and the SUNA board met face to face at the October 2013 AC in Chicago with Dr. Larry Ross and Mike Sheppard, Executive Director of the AUA. This was a great opportunity to discuss our common interests and potential areas of collaboration as well as better understand how each organization is unique and explore ways we can work collaboratively to provide the highest quality of care to our urologic patients. We discussed development of MOUs to promote regional joint educational programs between local SUNA chapters and AUA Regional Sections and offering a reciprocal course at future SUNA and AUA meetings. In addition, we hope to collaborate on additional White Papers on clinical guidelines that affect urologic patient care. One accomplishment to date is that Susanne Quallich is serving on the ad hoc committee to develop a White Paper on the utilization of Allied Health Professionals in urology practices with a focus on regulatory activities. The AUA/SUNA White paper on Prostate Biopsies was approved in 2013 by both organizations and is published on the SUNA website. SUNA members, Fran Foley, Mary Anne Wasner, Vic Sense and Eileen Young worked on the task force to revise/update the Joint AUA/SUNA White Paper on Reprocessing of Flexible Cystoscopes.

**2013 Annual Symposium: Incontinence and Pelvic Floor Disorders**

Our Annual Symposium is dedicated to providing education and professional development for members with focus on optimizing care for our patients with incontinence and pelvic floor disorders. 248 urologic nurses and health care professionals attended the 2013 Symposium, held March 7-9, 2013 in Savannah, Georgia. The exhibit hall totaled 32 Exhibitor Booths representing 29 companies. The Symposium offered quality and relevant educational programs under the
leadership of Alis Panzera, Chairperson. The planning committee also included Research Liaison, Christine Bradway, PhD, RN, FAAN, Donna Carrico, WHNP, MS, Katy Bortel, MS, RN, CCRP, Carolyn North, RN, CURN and SUNA Education Director, Rosemarie Marmion, MSN, RN-BC, NE-BC. The popular UDS Track, with Tamara Dickinson, as Course Director, was again offered at the Symposium with updates made in response to last year’s evaluations. The course provided basic principles of Urodynamic testing with case studies and a hands-on session with emphasis on the latest ICS standards and terminology. The 2013 Symposium provided a dynamic and high quality, evidence-based program of specialized knowledge dealing with incontinence and pelvic floor disorders.

The 44th Annual Conference

Providing educational sessions for every practice level, SUNA drew more than 400 urologic healthcare professionals to Chicago, IL, October 11-14, 2013 for the 44th Annual Conference. The Chicago Metro SUNA Chapter #307 was the conference host chapter. Multiple and diverse topics were presented. One of the most popular sessions was the Advanced Practice Workshop which allowed attendees to rotate among multiple hands-on stations. The overall conference was approved for 14.25 contact hours plus additional contact hours were available for preconference workshops and 19 CME. New this year, 5 FREE additional contact hours were awarded to full conference registrants. There were 56 Exhibitor Booths, representing 50 companies. The Annual Conference Planning Committee included Chairperson, Lee, Ann Boyd, MSN, RN, ARNP, CUNP, Past Chair, Fran Foley, MS, RN, CURN, Reseach,Chair , Barbara Broome, PhD, RN, FAAN, as well as planning members Lori Cornelius, RN, CURN, Leanne Schimke, MSN, CRNP-C, CURN, Cindie Neufeld, RN, CURN and Ken Mitchell, MPAS, PA-C, PA. SUNA Education Director, Rosemarie Marmion, MSN, RN-BC, NE-BC. Certification Review Course Director, Christy Krieg, MSN, CURN and APN Course Director, Sue Lipsy, ANP-BC, CURN.

2013 LECTURESHIP AWARDS

ARTHUR T. EVANS LECTURESHIP sponsored by the AUA
Awarded to Susan Quallich, ANP-BC, NP-C, CURN
“Diagnosis and Management of Chronic Testicular Pain: State of the Science”

PATRICIA PUTETTI MEMORIAL LECTURESHIP sponsored by the Columbia Presbyterian Chapter of SUNA
Awarded to Monica Davis, MSN,MBA,CRNP
“Pediatric Urology Nemesis: Day and Nighttime Voiding”

PAST PRESIDENTS LECTURESHIP sponsored by the SUNA Past Presidents
Awarded to Phippa Aslet, BA, RN and Bruce Turner, MSc,BN,RN
“Evidence-Based Preparation of Prostate Biopsy: UK Prespective”

WYLAND LEADBETTER LECTURESHIP sponsored by the Upper Midwest Chapter of SUNA
Awarded to Darla Cleaves, CURN, CNOR, CRNFA, MLSO
“Let There ABE Light: Laser Safety and the Urology Nurse”

RUSSELL CHURCH MEMORIAL LECTURESHIP sponsored by the Western Region of SUNA and T-DOC
Awarded to Lori Cornelius, RN, CURN and Julie Staff, APRN
“Pelvic Muscle Rehabilitation: Nursing Guidelines for Practice”

VANCE CASELMAN LECTURESHIP sponsored by the Great Lakes Chapter of SUNA
Awarded to Valre Welch, MSN, RN, CPNP and Shelly King, MSN, RN, CPNP
“Games Your Mother Never Taught You”

IAN THOMPSON MEMORIAL LECTURESHIP sponsored by the Great Lakes Chapter of SUNA
Awarded to Jeffrey Albaugh, PhD, APRN, CUCNS
“Sex and Drugs”

RUTH HUGHES LECTURESHIP sponsored by the Greater Houston NP-BC
“The Aging Underactive Bladder”
2013 Awards and Business Meeting

President’s remarks summarized the past year with goals to reduce expenses enhance member value and meet member’s expectations. The Strategic Plan was expanded to include Evidence-Based Practice and increase membership.

Election results:
President Elect: Vic Senese
Secretary: Debbie Buback
SE Regional Director: Shanna Atnip
NC Regional Director: Vanessa Spears
Board Appointments: Treasurer: Valre Welch to complete Vic’s one-year term
President Hensley expressed appreciation to outgoing SUNA leaders:
-Valre Welch, Immediate Past President
-Glenda Wilkinson, OR/Cysto/ESWL SIG Leader
-Amy Hull, Continence SIG Leader
Francie Bernier, Legislative Chair

Incoming Leaders Welcomed:
Darla Cleaves, OR/Csyto/ESWL SIG Leader
Mary Meskel, Legislative Chair
Amy Hull, Symposium Planning Committee Chair
Leticia Armstrong, Continence SIG Leader
President Hensley passed the gavel to incoming President Chery LeCroy!
President LeCroy discussed why SUNA was important to her and the constants and opportunities of being a SUNA member. She closed by challenging members to become involved with SUNA at both the local and national levels and most of all, be a SUNA Advocate!
Treasurer’s Report given by Vic Senese- The Good, Bad and the Ugly! SUNA remains vibrant and robust, despite a deficit budget. Bottom line- SUNA is winning the Battle!
Foundation: Ardeth Hale gave an update on scholarships and budget. The Foundation remains strong!
CBUNA President: Marianne Borch provided updates on the ABNSC application and number of certified members was at 643.

Score with 4! Membership Recruiters
Concetta Pinto, BSN, RN- Top Recruiter

Winner of the drawing for Free Annual Conference or Symposium
Angela Williams, BSN, CURN

2013 SUNA CHAPTER AWARDS:

Little Chapter with a Big Heart: Yakima Valley Chapter #405
Most Improved Chapter: Delaware Valley Chapter #103
Chapter with Best Communication: Chicago Metro Chapter #307
Chapter with Exceptional Educational Programs: Mississippi Valley Chapter #301
Chapter with Exceptional Contributions to SUNA: Great Lakes Chapter #303
Chapter with Exceptional Community Activity: Central New York Chapter #109

CHAPTER OF THE YEAR AWARD was presented to UPPER MIDWEST CHAPTER #302

ADDITIONAL AWARDS

RON BRADY CAREER MOBILITY SCHOLARSHIP
Presented to Jessica Hus, RN, CURN

SUSZETTE MCKAY MEMORIAL EXCELLENCE IN UROLOGIC NURSING
Presented Vanessa Spears, MHA, BSN, RN, CURN
MACFARLANE AWARD
Presented to Victoria Peck, RN, CURN

NOVICE LITERARY EXCELLENCE AWARD
Awarded to Drs. Nancy Steele and Linda Yoder

CATHERINE-ANN LAWRENCE LITERARY EXCELLENCE AWARD
Awarded to Nancy Steele, PhD, RN, WHNP-BC, and Linda Yoder, PhD, MBA, RN, AOCN, FAAN

MANUSCRIPT REVIEWER AWARD
Awarded to Karen Sasso, MSN, RN, APN, CCCN_NP

FOUNDATION SCHOLARSHIPS

2013 ANNUAL SYMPOSIUM SCHOLARSHIPS
Awarded to Debra Crawford, RNC
Jody Hughes, RN
Patricia Patterson, RN

2013 ANNUAL CONFERENCE SCHOLARSHIPS
