On behalf of the 2011 Annual Conference Planning Committee and the Society of Urologic Nurses and
Associates’ Board of Directors, I would like to invite you to attend the 42nd Annual Conference at the Marriott
Rivercenter in San Antonio, Texas.

The Committee has worked very hard to provide conference attendees with a very dynamic, diverse, and
stimulating program. This is also the second year that we will feature the Advanced Practice Nurse preconference
and concurrent session track.

There is something for everyone, whether you are a novice or experienced urology nurse. All tracks are
available to everyone. This might be an opportunity for many to learn about a new office procedure, diagnostic
imaging, or robotic prostatectomy. You may pick any session or topic that piques your interest.

You will have the opportunity to network with those in your region and your specialty, a good way to make some
new friends.

We are excited about the program we have in store for you, and welcome all comments and questions that may
arise during the conference. Remember to stop by our silent auction and SUNA Party, two conference favorites!

I look forward to seeing everyone in “The Heart of Texas!”

Fran P. Foley, MHCA, BS, RN, CURN
Annual Conference Planning Committee Chairperson

Who Should Attend…

Anyone involved or wishing to become involved in urologic health care including:

- Nurses
- Advanced Practice Nurses
- Physician Assistants
- Technicians
- Medical Assistants
- Office Personnel
- Industry Representatives
- Physicians
And The Winning Bidder Is...

The Fifth Annual SUNA Foundation Silent Auction will be held Saturday, October 29. Donated items for auction will include collectibles, practical and frivolous items, high-tech gadgets, and original creations. You can find something of interest for yourself or a gift for someone else at the Fifth Annual SUNA Foundation Silent Auction.

Join us for the excitement of this FUNdraiser to provide funding for the scholarships administered by the SUNA Foundation. And whether you donate or have a winning bid, or both, it’s all tax deductible.

See page 15 for more details.
Conference Information

The goal of this conference is to enhance the ability of urologic nurses and associates to provide quality care to urologic patients and provide opportunities to learn from and network with experts in the field of urologic nursing.

Advanced Practice Track
If you missed the Annual Conference last year, this is your chance to get in on the exciting advanced practice nurse and physician assistant training. The track will feature workshops, education sessions and networking designed specifically for advanced practice clinical knowledge and skills. The program includes:
• An eight-hour cystoscopy workshop (includes lectures and hands-on training)
• A two-hour hands on advanced practice workshop with rotations every 30 minutes to 4 of 7 stations including Testopel and Vantus, pelvic floor physical therapy, male genital exam, suturing, urodynamic interpretation, female sexual medicine, and AP/PA coding
• Dedicated advanced practice track education sessions
• Alternative sessions including a pessary workshop, challenging urology coding, prostatectomy, avoiding practice errors, trigger point injections, care of the dying patient, preparing the spina bifida patient for urologic reconstructive surgery, metabolic stone analysis, radical nephrectomy, urogenital pain and more
• Networking opportunities with other APNs and PAs throughout the conference

Weather and Attire
Temperatures in San Antonio in October will get up to about 78 degrees during the day but could drop as low as 55 degrees in the evenings, so make sure you bring a jacket for evening sightseeing! Please also remember to pack a sweater since conference rooms in the hotel can get cold. We also suggest that you bring comfortable walking shoes for your conference activities.

Hotel Information
The Marriott Rivercenter hotel will serve as the headquarters hotel for SUNA’s Annual Conference. A block of rooms has been reserved at the special group rate of $175 single/double per night, plus tax. To receive the conference rate, call Reservations at 1-800-266-9432 and refer to the SUNA Annual Conference, or online directly through the SUNA Web site (www.suna.org). Make your reservation on or before September 30, 2011. Reservations made after this date will be subject to space and rate availability.

The hotel is conveniently located on San Antonio’s famous Riverwalk and connected to the Rivercenter Mall. The mall is home to an array of enjoyable shops, restaurants, a food court and entertainment venues including: Macy’s, Dillard’s, Morton’s Steakhouse, a movie theater, an IMAX theater, and the Rivercenter Comedy Club.

The Rivercenter Mall Food Court is attached to the Marriott. A directory is available at http://www.shoprivercenter.com/ directory.

Airport/Transportation
The hotel is located approximately 10-15 minutes from the San Antonio International Airport. Shuttle transportation to and from the airport is provided by SATRANS for $18 one way, additional person $15, and $32 roundtrip, between 7 and 1 am daily. Make a reservation by calling 210-281-9900 or visit www.saairportshuttle.com. Prices are current at the time of printing and are subject to change.

Taxi cabs are available at the lower level curbside, outside of baggage claim, at Terminal A & B. For assistance, please contact the Airport Ground Transportation Agent wearing an airport badge. Fares to San Antonio downtown hotels are approximately $35 to $40.

Hotel Parking
For the convenience of hotel guests, self and valet parking are available in underground garages. Rates include in/out privileges. Prices are current at the time of printing and are subject to change.
Self Parking: . . . . . . . $25 per day
Valet Parking: . . . . . . . $33 per day

Continuing Nursing Education Credit
SUNA’s 42nd Annual Conference will offer 17.25 contact hours. In addition, Preconference Workshop 010 will offer 7.75 contact hours, Preconference Workshop 020 will offer 6.75 contact hours, Preconference Workshop 030 will offer 8.0 contact hours and Preconference Workshop 040 will offer 6.2 contact hours.

The Society of Urologic Nurses and Associates (SUNA) is accredited as a provider of continuing nursing education by the American Nurses’ Credentialing Center’s Commission on Accreditation (ANCC-COA).

The SUNA accreditation is reciprocal in the states and specialty organizations that recognize the ANCC-COA accreditation process. SUNA is also a provider approved by the California Board of Registered Nursing, Provider Number CEP5556. Accreditation and approved provider status of CE in nursing does not imply ANCC-COA approval or endorsement of any product, advertising, or educational content. SUNA urges all participants to be aware of the CE requirements for relicensure in the states in which they hold a license.

Continuing Medical Education (CME) Credit
This program is not yet approved for CME credit. Conference organizers plan to request 22.25 hours of AAPA Category I CME credit from the Physician Assistant Review Panel. Total number of approved credits yet to be determined.

Guest Registration
Guest badges are available as a courtesy for paid attendees. A “guest” is defined as a spouse, family member, significant other, friend, or adult child (over 16 years old). A co-worker or an associate within the industry does not qualify for the guest registration fee. The fee is $120 and entitles the guest to visit the Exhibit Hall and attend the SUNA Party. Guest fees do not include admission to meal functions or corporate sponsored symposia.

Guest Registration
Guest badges are available as a courtesy for paid attendees. A “guest” is defined as a spouse, family member, significant other, friend, or adult child (over 16 years old). A co-worker or an associate within the industry does not qualify for the guest registration fee. The fee is $120 and entitles the guest to visit the Exhibit Hall and attend the SUNA Party. Guest fees do not include admission to meal functions or corporate sponsored symposia.
Call For Session Moderators

Your assistance is needed to support speakers during the educational sessions. If you’ve been looking for an opportunity to get involved in the organization, this is a great way to meet other members and welcome colleagues to the conference. As a session moderator, you will introduce the speaker from the podium and keep the session on time. There will be an orientation session for all moderators on Friday, October 28 from 5:00 pm – 5:30 pm. To volunteer, mark your conference registration form or contact the SUNA National Office at 1-888-TAP-SUNA.

SUNA’s Online Library

The speakers’ handouts from educational sessions at this conference will be available online approximately two weeks prior to the conference. Visit www.prolibraries.com/suna to create your Online Library account to access the handouts and obtain CNE. Most sessions from this conference will be recorded and audio will be available in the Online Library following the conference.

Room Sharing

If you are interested in sharing a room during the conference and would like your name on the Willingness to Share a Room List, send your name to the SUNA National Office, East Holly Ave. Box 56, Pitman, NJ 08071-0056, call 1-888-TAP-SUNA, fax 856-589-7463, or E-mail suna@ajj.com. Please indicate where (work or home) you prefer being called. The information must be received by September 2, 2011. Your name, address, and phone number will be circulated to others on the list. It will be your responsibility to contact them directly and make arrangements to share a room.

Corporate Sponsored Sessions

Some states have enacted strict compliance and disclosure requirements for pharmaceutical and medical device manufacturers and healthcare professionals. If your state does not permit sponsors to provide meals during educational sessions, you may attend the session, but you will not be permitted to partake of the meal.

Photo Release

SUNA occasionally uses photographs of SUNA conference participants in its newsletter, Web site, promotional materials, and in the Urologic Nursing Journal. By virtue of your attendance at the annual conference, you agree to usage of your likeness in such material.

**Sponsored Meals

Although we try to obtain sponsorship for the meals listed as “pending” in this brochure, it is not always possible. We regret that if sponsorship is not received, those meals will be at your own expense.

Tracks

The use of educational tracks is a unique method to present session information. It allows participants to choose sessions that are applicable to their special areas of practice or interest. Each concurrent session listing falls within a special interest group or advanced practice track. The following summary information is provided to assist participants in pursuing a special track:

<table>
<thead>
<tr>
<th>Sessions</th>
<th>Session Numbers</th>
</tr>
</thead>
<tbody>
<tr>

FRIDAY, October 28

7:00 am – 6:00 pm
Registration

7:30 am – 8:00 am
Continental Breakfast

7:30 am – 5:00 pm
Preconference Workshop 010: Certification Review
Jeffrey Albaugh, PhD, APRN, CUCNS
Tamara Dickenson, RN, CURN, CCCN, BCIA-PMDB
Christy B. Krieg, MSN, CUNP
Leanne S. Schimke, MSN, CRNP, CUNP
Valre W. Welch, MSN, CPNP

Are you planning to seek certification in the specialty of Urologic Nursing? If so, this course is designed as a study session to prepare participants for the urology certification exam. This is an adjunct to preparing for the exam in addition to utilizing the detailed Examination Preparation Guide prepared by CBUNA. The course will review pediatric anomalies, urinary tract inflammations, voiding dysfunction, obstructive uropathies, male infertility and sexual dysfunction, and urologic cancers. The course will also include some test taking strategies. Participants are expected to have knowledge of normal anatomy and physiology, as these will not be covered in the course. With enrollment, participants will have access to an on-line anatomy and physiology course.

8:00 am – 4:30 pm
Preconference Workshop 020: Basic Urology
This preconference workshop will cover basic urology 101, including anatomy and physiology, diagnostic tests, terms, definitions, bladder and urethra disorders, kidney and ureter disorders, prostate, and male reproductive/genitalia disorders. This course is designed for SUNA’s associate members, those new to urology or those wishing a basic review of urology. This course is not intended for those preparing to take the certification exam.

Urologic Anatomy and Physiology and Disorders of the Male Genitalia
Jill Leanne Freeman, MAN, APRN-BC, ANP, CUNP

Urology Terms and Diagnostics, the Prostate,
Urology 101 Review
Theresa L. Kolle, BSN, RN, CURN

Disorders of the Kidney and Ureters and Disorders of the Bladder, Urethra, and Pelvic Floor
Roberta A. Stolp, BSN, PHN, CCCN, CNOR

7:30 am – 5:15 pm
Preconference Workshop 030: Advanced Practice Cystoscopy Workshop
Robert Ball, MD
Frances P. Foley, MHCA, BS, RN, CURN
Brad Hornberger, MPAS, PA-C
Heather Schultz, NP
Eileen C. Young, RN, CNOR

This workshop is designed for advanced practice nurses and physician assistants involved in performing cystoscopy. The course will feature presentations on normal anatomy and physiology, and pathophysiology within the bladder. There will also be hands-on training with the cystoscopes.

8:00 am – 4:00 pm
Preconference Workshop 040: The Basics of Urodynamics
Cheryl LeCroy, MSN, RN
Betsy Omeis, BSN, RN

Urodynamic testing provides extremely valuable and useful information for the care of urologic patients with voiding dysfunction. However, they can be daunting to perform and interpret. This informative basic urodynamic preconference will take the participant through the entire process – from set-up to basic interpretation. Case studies will be utilized to “pull it all together.”

11:45 am – 1:00 pm
101 Corporate Luncheon Symposium (pending corporate support)**

5:00 pm – 6:00 pm
Regional Meetings
Take this opportunity to meet your Regional Director and other members in your Region, and to hear new information regarding your Region. Open to all SUNA members.

102 Northeast
103 North Central
104 Southeast
105 Western
6:15 pm – 8:00 pm
Chapter Leadership Networking Session
This informative session will provide chapter leaders with an opportunity to network with SUNA board members and other chapter officers. Chapter leaders will learn the essential components needed to keep a chapter thriving. Chapter presidents, presidents-elect, or others who will be assuming a leadership position in the chapter in the upcoming year are encouraged to attend. To participate, please forward your name, address, telephone number and email address to your Regional Director or the national office (suna@ajj.com) by September 1, 2011.

SUNDAY, October 29
6:30 am – 6:00 pm
Registration

7:00 am – 8:00 am
Continental Breakfast

7:00 am – 8:00 am
111 New Members and First-Time Attendees Welcome and Orientation Breakfast
New members and first time conference attendees are encouraged to attend this orientation to learn about SUNA and its Annual Conference. We know that getting around during the conference can be confusing to first-time attendees, so this orientation will help you know who’s who and what’s what.

7:45 am – 9:45 am
112 Advanced Practice Hands-on Workshop
This advanced practice session provides multiple stations including testopel, male and female genital exam, suturing, advanced practice/physician assistant coding, pelvic floor physical therapy, and urodynamic interpretations with a focus on pediatrics. Participants will choose four of the seven stations and rotate to each one every 30 minutes.

Multi-station (Choose four 30 minute stations)
A. Testopel and Vantus – Kenneth A. Mitchell, MPAS, PA-C
B. Pelvic Floor Physical Therapy – Dianne Hargroder, PT, RMT
C. Male genital exam – Heather Schultz, NP
D. Suturing – Edward J. Mueller, MD
E. Urodynamic Interpretation: Focus on Pediatrics- Shelly J. King, MSN, CPNP
F. Female Sexual Medicine – Peggy P. Francis, DNP, RN, FNP
G. AP/PA Coding- Susanne Talebian, CUA, CPC, CCS-P, CMOM, PCS

8:00 am – 12:00 nn Certification Exam
Preregistration is required. The certification application is available at www.cbuna.org (click on the Certification tab) or call C-NET for details 800-463-0786. All applications must be postmarked by August 12, 2011.

8:00 am – 8:30 am
Conference Welcome
Frances P. Foley, MHCA, BS, RN, CURN, Program Chair
Amy Driscoll, BSN, CURN, CCCN, President

12:00 nn – 1:45 pm
150 Corporate Luncheon Symposium
XGEVA® (denosumab) and Prostate Cancer: Identifying Bone Metastases and Preventing Skeletal-Related Events
(No CNE offered)
Leanne S. Schimke, MSN, CRNP, CUNP
Sponsored by Amgen

2:00 pm – 3:00 pm • Concurrent Sessions
APN/INPT/ OPT
161 Hold it Up Sister: A Workshop on Pessaries and Pelvic Prolapse
(Shanna Atnip, MSN, WHNP-BC
Peggy P. Francis, DNP, RN, FNP
Gwen Hooper, CUNP, APRN)
This workshop will include a lecture and hands-on instructional session on the basics of pessaries, with the goal of developing attendees’ confidence in pessary fitting and care. Included will be the evaluation of patients with pelvic organ prolapse and hands-on experience in fitting the most common pessaries. This session is limited to 30 participants.

2:00 pm – 3:00 pm • Concurrent Sessions
APN/INPT/ OPT
161 Hold it Up Sister: A Workshop on Pessaries and Pelvic Prolapse
(Shanna Atnip, MSN, WHNP-BC
Peggy P. Francis, DNP, RN, FNP
Gwen Hooper, CUNP, APRN)
This workshop will include a lecture and hands-on instructional session on the basics of pessaries, with the goal of developing attendees’ confidence in pessary fitting and care. Included will be the evaluation of patients with pelvic organ prolapse and hands-on experience in fitting the most common pessaries. This session is limited to 30 participants.
2:00 pm – 3:00 pm ● Concurrent Sessions

EOC/GEN/INPT
162 Prostatectomy: A Review of Surgical Options
James L’Esperance, MD
This session will provide a description of indicators, procedures and outcomes of prostate surgery to include robotics and the benefits with patient selection.

EOC/INPT/PEDS
163 Preparing the Spina Bifida Patient for Reconstructive Surgery
Shelly J. King, MSN, CPNP
Reconstructive surgery is necessary in many children for bowel and bladder continence. This session will review appropriate patient selection, and preoperative evaluation. Management of patient education, independent care, and potential complications will be discussed. Educational tools, documents and videos will be shared.

APN
164 Advanced Pathophysiology of the Lower Urinary Tract
Mikel Gray, PhD, CUNP, CCCN, FAANP, FAAN
This session will focus on a review of anatomy and physiology of the lower urinary tract. The presentation will include discussion of the pathophysiology of lower urinary tract pain such as interstitial cystitis and painful bladder syndrome, urinary retention, urinary incontinence, and LUTS disorders.

3:00 pm – 3:15 pm
Break

3:15 pm – 4:15 pm ● Concurrent Sessions

APN/INPT/OPT
171 Hold it Up Sister: A Workshop on Pessaries and Pelvic Prolapse
(This session is a repeat of Session #161 at 2:00 pm)

GEN
172 The Love Bugs
Donna I. Pinnell, WHCNP
This presentation will discuss STD’s in women, utilizing current CDC guidelines for recognition, treatment and management and their impact on the GU system. Included will be a current update on HPV guidelines for detection, treatment and prevention.

EOC/INPT/OPT
173 Urology Trauma: Improvements in Treatments
Thomas A. Rozanski, MD
Genito-urinary injuries are common, occurring in up to 10% of patients seen for trauma in the emergency department.

We will discuss blunt and penetrating trauma to the kidney, ureter, bladder, urethra, and genitalia. During the past several decades, great strides have been made in the diagnosis and management of these injuries, and as a result, patient outcomes have improved. The basic tenets of GU trauma evaluation include obtaining a good history (mechanism of injury), performing a thorough physical examination, reviewing a urinalysis, maintaining a high index of suspicion, and obtaining appropriate studies. Adhering to these principles allows prompt diagnosis and determination of optimal treatment for each of the injuries, some being operative while others are more conservative. This session will not be recorded or available in the online library.

APN
174 Pharmacology Update
Mikel Gray, PhD, CUNP, CCCN, FAANP, FAAN
This presentation will review pharmacologic options for managing lower urinary tract symptoms including overactive bladder dysfunction, stress urinary incontinence, and painful bladder syndrome. The presentation will focus on newer pharmacotherapeutic options and emerging pharmacologic targets.

4:30 pm – 5:30 pm
Special Interest Group Meetings
These sessions are open to all who attend the conference. The following groups will meet informally to discuss issues of common interest.

181 Continence Specialists and Services
182 Extracorporeal Shock Wave Lithotripsy/OR/Cystoscopy
183 Sacral Nerve Stimulation
184 Long Term Care

5:30 pm – 7:30 pm
Grand Opening of Exhibits
Visit the exhibit hall and be prepared for a real treat. The “latest and the greatest” in urology products and services are on display from the leading vendors in the marketplace. More than 75 exhibitors will be in SUNA’s exhibit hall, eager to speak with you about your patient’s needs and your professional responsibilities. You’ll learn about new products, services, and procedures. Plus, it’s fun! Enjoy complimentary beverages and light hors d’oeuvres. Research posters will also be on display during this time.

8:00 pm – 11:00 pm
190 SUNA Party/Silent Auction
Networking is a very important part of the SUNA Annual Conference, and what better way to “meet and greet” your friends and colleagues than with refreshments, music, and dancing. Enjoy complimentary hors d’oeuvres and soft drinks. To add to the fun, the SUNA Foundation Silent Auction will take place during the SUNA Party. Come prepared to bid on the

6:00 am – 5:30 pm
Registration

6:30 am – 8:00 am
200 Corporate Breakfast Symposium
(pending corporate support)**

8:00 am – 9:00 am
201 General Session – Diffusing Difficult Situations
Polly Gerber Zimmermann, MS, MBA, RN, CEN, FAEN
Nurses have rated disruptive behavior in the workplace as the single most important contributing factor to job satisfaction. Disruptive behavior affects morale, job turnover, and patient quality of care and safety. The 2009 Joint Commission leadership standard addresses this issue. Organizational causes and solutions along with personal tips and tricks to enhance more effective handling of this difficult area will be discussed.

9:00 am – 10:30 am
Exhibits Open/Coffee Break/Posters on Display

10:45 am – 11:45 am • Concurrent Sessions

APN/OF/C
211 Basic Introduction to ICD 10
Susanne Talebian, CUA, CPC, CUC, CCS-P, CMOM, PCS
This is a beginners course to introduce you to the basics of ICD 10 coding which will be implemented in October 2013.

APN/GEN/OF/C/PD
212 Avoiding Practice Errors
Polly Gerber Zimmermann, MS, MBA, RN, CEN, FAEN
“Do not look where people fall, but where they slipped” (African proverb). What are key aspects to consider in any patient presentation? What are red flags that something more serious might be occurring in this patient? Where have the standards of care changed in practice over the years? Can you spot the problems in true legal case scenarios? Learn ways to prevent common errors.

12:00 nn – 1:45 pm
220 Awards Luncheon/Business Meeting
You are cordially invited to join your peers in honoring SUNA members who have made professional contributions through various SUNA sponsored activities, and the many industry sponsors who have so generously contributed to SUNA activities and events throughout the year. A brief Annual Business Meeting will be held in conjunction with the Awards Luncheon.

2:00 pm – 3:00 pm • Concurrent Sessions

GEN/INPT/OPT
231 Care of the Dying Patient: The Patient and Family Experience
Paula Forest, MSN, OCN, CHPN, GNP-BC, ARNP
A large number of our patients die in the hospital setting. How comfortable are you in the care of the dying patients? Are you able to recognize the signs of the actively dying patient? Are you able to provide not only physical care but also emotional and spiritual care to the dying patient and their family? This presentation will discuss how care of the dying patient has evolved in the face of palliative care and our current health care system. Symptoms commonly seen at the end of life: pain, dyspnea, delirium, anxiety, fever and secretions will be discussed. Symptoms will be highlighted in a patient case study with information on appropriate medications and dosing schedule. Talking points on emotional and spiritual support to both the patient and family members will be discussed.
2:00 pm – 3:00 pm • Concurrent Sessions

**GEN/INPT/OPT**

232 Trigger Point Injections for Pelvic Floor Dysfunction or Urethral Pain
   Donna J. Carrico, WHNP, MS
   This lecture will describe how and when to do trigger point injections for pelvic floor dysfunction. A treatment algorithm and reimbursement issues will be discussed.

EOC/GEN/INPT/OPT

233 Bladder Cancer: Where We Are Now
   Arthur Sagalowsky, MD
   This session will contain an overview and update on current diagnosis and treatment of both noninvasive and invasive bladder cancer. This session will not be recorded or available in the online library.

APN

234 Update on Imaging of GU Disorders
   Joseph W. Basler, MD
   Diagnostic imaging can be very helpful in determining definitive diagnosis. This session will focus on some of the common imaging used for urologic disorders and how that imaging can help determine diagnosis and treatment.

3:00 pm – 4:00 pm
Exhibits Open/Posters on Display

4:15 pm – 5:15 pm • Concurrent Sessions

EOC/PEDS

241 Pediatric Urologic Emergencies
   Shelly J. King, MSN, CPNP
   Children are particularly prone to further injury and negative outcomes if urologic emergencies are not identified, evaluated, and managed appropriately. This session aids the advanced practitioner in the management of these issues. Life threatening anomalies in the neonate will be discussed. Also included in this session will be: scrotal, vaginal, and abdominal masses, renal, abdominal and genital trauma. The evaluation and management of the acute scrotum, penile pain, circ injury, priapism and urosepsis will also be discussed.

GEN/INPT/OPT

242 Cysview™ Blue Light Cystoscopy
   Helen Rittenmeyer, BSN, RN
   The University of Iowa, along with a select group of U.S. hospitals, started using a new technology for patients with bladder cancer. There will be a brief overview of bladder cancer and current treatments, then discussion of an optical imaging agent called Cysview™ which is instilled into the bladder to enhance the tumor bed under blue light cystoscopy. The faculty will describe the method used by a major institution in having this technology available to their facility. Case studies of patients who have undergone blue light Cystoscopy at University of Iowa Hospital and Clinic will be highlighted.

OPT

243 Urogenital Pain Conditions: Interstitial Cystitis/Painful Bladder Syndrome (IC/PBS) and Vulvodynia
   Donna J. Carrico, WHNP, MS
   This lecture will describe IC/PBS and vulvodynia, along with treatment interventions. New research and therapies will also be presented.

APN

244 Assessing for and Managing Side Effects of Androgen Deprivation Therapy
   Mary Mathe, PA-C
   This session will review the rationale behind initiating androgen deprivation therapy for prostate cancer patients and further discuss the management of the most common side effects associated with its use.

5:30 pm – 6:30 pm
Special Interest Group Meetings
   These sessions are open to all who attend the conference. The following groups will meet informally to discuss issues of common interest.
   251 Inpatient/Outpatient
   252 Urodynamics
   253 Advanced Practice

6:45 pm – 8:00 pm

UD
311 It’s All in the Details: Complex Urodynamic Case Studies
   Cheryl LeCroy, MSN, RN
   Betsy Omeis, BSN, RN
   Urodynamics are much more than a set of tests and sitting in front of the computer. They are an integral part of the puzzle that helps to identify the underlying problem with voiding dysfunction. From patient assessment and urodynamic testing, individualized treatment plans can be made for the patient. Urodynamic case studies will be presented incorporating history and physical findings as well as the urodynamic testing. From there, treatment options will be discussed. Come join this interactive session!

EOC/GEN/INPT/OPT
312 Kidney Stones: Diagnosis and Management
   Robert Marcovich, MD
   This session will provide an update on contemporary diagnosis, surgical treatment, and medical management of upper urinary tract stones.

GEN/PD
313 Improving Practice with Evidence
   Jane Hawks, PhD, RN, BC
   How does one assess the evidence in an article to determine whether it means practice should be changed? We will look at various levels of evidence used to determine the level of the research article and how the evidence from those articles can be used to improve urologic nursing practice. We will use articles published in *Urologic Nursing* to make these determinations and help each other improve our ability to know whether the evidence should be applied!

APN
314 Managing Urinary Incontinence
   Shanna Atnip, MSN, WHNP-BC
   This session will focus on the non-surgical management of urinary incontinence including behavioral interventions, pelvic floor rehabilitation, pharmacologic management, and neuromodulation. Surgical options for management of urinary incontinence will also be reviewed.

12:00 nn – 1:00 pm • Concurrent Sessions

EOC/GEN/OFC
321 Sacral Nerve Stimulation for the Treatment of Refractory Overactive Bladder: Clinician and Patient Perspectives
   Cindy Dobmeyer-Dittrich, BSN, RN, CURN
   Kenneth Moore
   OAB significantly impacts quality of life and limits activities and socialization. Behavioral therapies and medications are frequently unsuccessful in treating this condition. InterStim is an implantable neurostimulator used to treat OAB in patients who have failed conventional therapies. This program will share the perspectives of the nurse clinician and an actual interStim patient to address success with this therapy with a special focus on quality of life issues. Time will be allotted at the end of the presentation for a question and answer session with both the nurse clinician and the patient.

GEN/PD
322 Women’s Health at Midlife: Implications for Research and Urology Nurses
   J. Taylor Harden, PhD, RN, FAAN

APN/OFC
323 Challenging Urology Coding Issues
   Susanne Talebian, CUA, CPC, CUC, CCS-P, CMOM, PCS
   This session will provide clarification of the most challenging coding issues facing us today and an understanding of the rules and regulations to get paid the money you deserve for services rendered.

APN
324 Diagnosis and Treatment of Urinary Tract Infections
   Connie Whitesell, NP
   Complicated and uncomplicated lower urinary tract infections will be defined. Presentation of infections will be addressed, as well as a discussion of pathogens and risk factors. Treatment guidelines, as well as the role of imaging, will also be explored.
Jeffrey Albaugh, PhD, APRN, CUCNS
Advanced Practice Urology
Clinical Nurse Specialist
Jesse Brown VAMC

Fax: 856-589-7463
E-mail: suna@ajj.com • Web site: www.suna.org
To further its commitment to excellence in urologic clinical practice and research, the Society of Urologic Nurses and Associates has formed the SUNA Foundation. The Foundation will fund research projects related to urologic disease or treatment and award scholarships for advanced education or specialized training for SUNA members. As SUNA members explore new research ideas, further their nursing education, and advance urologic care and treatment, patients will ultimately benefit from this expanded knowledge and expertise.

Support for the Foundation will come from corporations, SUNA chapters and members, and those interested in urologic health care. The Foundation is pleased to offer the fifth fundraising Silent Auction at this Annual Conference.

You can help by donating items for the auction and by coming to the conference prepared to bid. Many types of items will be accepted for donation including gift baskets, handcrafted items, medical publications, jewelry, and gift certificates, to name a few.

Come prepared to bid and help promote continued excellence in urologic nursing!

A list of items to be auctioned will be available at www.suna.org / Events / Silent Auction. Cash, check, or credit card (VISA, MasterCard, or American Express) will be accepted for winning bids. Your donation is tax deductible. Items can be shipped through the hotel’s business center at your expense.

To donate items, download the donation form at www.suna.org / Foundation, or contact the SUNA National Office at 888-TAP-SUNA or email suna@ajj.com
