

2022 SUNA uroLogic Conference Conference Frequently Asked Questions

Registration

How much is the registration fee? Can I save by registering early?

Yes! The registration fee for in-person and livestream main conference is:

- \$475 - Member/Early Bird Rate - Register on or by 8/25/22
- \$525 - Member Rate after 8/25/22
- \$575 - Non-Member/Early Bird Rate - Register on or by 8/25/22
- \$625 - Non-Member Rate after 8/25/22

Preconference workshops are optional and available for an additional fee. Preconference workshops are only available to in-person attendees as many include a hands-on portion. Please see registration form for details.

Is there a difference in pricing for in-person or livestream?

No. Pricing is the same whether you choose in-person or livestream. Although they are the same price, please be sure to pick whichever option you plan to do at the time of the event: in-person or livestream, so that SUNA can plan accordingly.

NOTE: Livestreaming is done in one specific room, so the concurrent session you want, may not be the session that is streamed. However, you can watch the sessions you want when they become available in the Online Library and complete the evaluations if you have enough credits.

Will I really save that much as a member or with the Early Bird discount?

Absolutely! Early bird member registrants save \$50 on the in-person or livestream main conference fee. Difference between early bird pricing as a member and early bird as a nonmember is \$100. SUNA membership is \$95. Spend the same amount (save \$5) but become a member and receive all the member benefits!

If you cannot join right now or your employer does not cover membership, you still can benefit from registering early at the non-member early bird rate!

I want to join/renew my membership and register for the conference at the same time. What is the easiest way to do that?

Nursing Continuing Professional Development (NCPD)

What sort of continuing education hours does the conference offer?

In-person and livestream conference attendees can earn at least 15.75 nursing continuing professional development (NCPD) contact hours. Sessions marked with **R** contain pharmacology content that can be applied toward pharmacology credit requirements. Pharmacology content credit is time-based on the content outline. Complete accreditation information and a full session schedule for the conference are available for viewing in the registration brochure.

Do you earn the same amount of contact hours for in-person and livestream?

Yes. All registration options include 15.75 NCPD contact hours, with at least 3 contact hours of pharmacology credit included. Attendees that register for the full main conference will receive 5 additional free contact hours once the conference is over – those 5 credits will automatically be added to your account, and you will be notified via email.

NOTE: Any sponsored symposiums that offer contact hours and are not in the livestream room, credits may only be available to onsite attendees.

How do I earn contact hours?

You will earn your contact hours in the SUNA Online Library conference page. You will receive information at the conference, as well as emails in the weeks following the conference with complete instructions on how to evaluate the sessions and receive the contact hours. To earn contact hours, you will need to log in to your Online Library account with your SUNA username and password and complete session evaluations under the NCPD Evaluation tab.

Is there a deadline for earning contact hours?

You will have approximately 6 weeks after the conference ends to complete your session evaluations to earn contact hours. You will receive reminder emails alerting you to the deadline date. After the conference, you will find the session evaluations on the conference page under the NCPD Evaluations tab. Make sure you are logged in to your SUNA Account in the upper right corner to view.

Where do I print a “certificate of attendance”?

SUNA does not mail certificates of attendance. If you require proof/record of attendance, we recommend printing your contact hour certificates. You will receive one contact hour certificate for each evaluated session offering contact hours. You may review a full list of evaluated sessions via your NCPD Transcript in SUNA Online Library – link to <https://library.suna.org/suna>

- Log into the SUNA Online Library – link to <https://library.suna.org/suna>
- Choose: My Account (in the upper right of your computer screen)

Conference Exhibiting and Sponsorship

How can I become an exhibitor or sponsor for the conference?

Representatives from a variety of leading companies and organizations provide sponsorship and/or exhibit annually at the conference to network with attendees and demonstrate their products. In addition, industry-supported product theaters are offered during dedicated times in the conference schedule for industry representatives to host a session that provides information on a specific product or service of interest to nurses working in the specialty of urology. An exhibit prospectus as well as additional information related to exhibiting and sponsorship at the conference are available via Conference Event Page. For specific questions, please contact SUNA Marketing Coordinator Heidi Perret: heidi.perret@ajj.com.

Conference Event Page

How will virtual attendees access the conference sessions?

Approximately one week before the conference, all conference attendees, including livestream and In-Person, will receive a link to the conference event page through their email. There will be a “Live Sessions” tab that lists all available sessions. Click “Attend Session Online” if you are virtual or click “Attend Session On-Site” if you would like to participate in the chatting, polling, and asking questions.

What can I do on the conference webpage?

You can plan your itinerary, view session information, connect with other attendees, post pictures, participate in the Leaderboard Challenge and complete your NCPD session evaluations to earn your contact hours.

What do I do if I registered for in-person, but have to attend virtually?

Since pricing is the same for in-person and livestream, there will be no additional charges or refunds. However, please let the National Office know that you are going from in-person to livestream. You can still access the event page and click “Attend Session Online” when the session is live.

Which sessions will be livestreamed?

All general sessions and one concurrent session in each time slot will be livestreamed. If you would like to view the other concurrent sessions that are not being livestreamed, you can do so once the recorded sessions are available online.

Financial Questions

I think I was overcharged when I registered. What should I do?

Your registration fee is based on your membership status, the date you register (before or after the Early Bird deadline), selection of additional events (pre-conference workshops or Foundation events), and whether you qualify for additional discounts (such as those for presenters or committee chair roles). You should receive a registration receipt automatically at your primary email address once your registration is processed (mail/fax) or completed online with payment. (Please be sure to check your spam or junk email folder if you do not see this registration receipt.) Please make sure to review your receipt carefully. If you believe there is an error, please contact the National Office so that we may assist you further.

I need an invoice so my employer can pay.

No problem! Please contact the National Office with this request. Make sure to note for whom the registration is being submitted as well as any other information you would like on the invoice (ex: purchase order number, billing address, etc.). This is frequently how we handle facilitating employer payment, and we can do this quickly. We recommend making these requests to your employer with enough time in advance since the entire process of requesting payment often takes longer than expected.

I need a receipt for my employer.

You should receive a registration receipt automatically at your primary email address once your registration is processed (mail/fax) or completed online with payment. Please be sure to check your spam or junk email folder if you do not see this registration receipt. If you are unable to locate it or require a receipt with additional detail, such as credit card information used for the transaction, please contact the National Office. Please make sure that the email notes exactly what information you require.

I/my facility sent payment a month ago and I have not heard anything.

You should receive a registration receipt automatically at your primary email address once your registration is processed (mail/fax) or completed online with payment. Please be sure to check your spam or junk email folder if you do not see this registration receipt. Sometimes the email is blocked or filtered to spam. If you are unable to locate it, and you think your facility has sent a check or you still have questions, please contact the National Office. Please make sure that you have the check number, date, amount, and facility name for reference. Additionally, if your employer paid on your behalf, it is recommended to follow up with your Accounts Payable department to verify payment was sent.

I need a W9 form.

Please contact the National Office and we can supply this form to you.
