

Support the specialty of urologic nursing

Build a foundation for advanced knowledge and specialized care

Ways to Give

Annual Giving

Your Annual Gift will help enhance the urologic nursing specialty. You may opt to donate each year when renewing your membership.

Memorial Gift

A Memorial Gift honors and remembers a loved one, friend, colleague, or patient.

Planned Giving

Prepare for your future with a Planned Gift. Your gift will help improve care and ensure the future of urologic nursing practice. Planned Giving options include life insurance arrangements, bequests, trusts, and more.

Charitable Gifts

The SUNA Foundation also welcomes other charitable gifts including appreciated securities and stocks.

Corporate Gifts

SUNA Corporate Members and other organizations are invited to support urologic nursing by making a Corporate Gift.

All contributions are tax deductible.

Your donation will benefit the following research grants, educational scholarships, and programs:

Young Investigators/Experienced Investigators Research Programs

These urologic nursing research grants are awarded to first-time and experienced urology nurse researchers and provide opportunities to conduct clinical urologic nursing research. Grant recipients present their findings at a SUNA national meeting.

Ron Brady Career Mobility Scholarship

The Career Mobility Scholarship financially supports a SUNA member who is pursuing advanced urologic nursing education (baccalaureate degree in nursing or other advanced nursing degree).

Jan LeBouton Certification Scholarship

This grant helps a member become certified in urologic nursing by supplying a *SUNA Urology Certification Review Manual* and a *CBUNA Prep Guide*, funding the exam fee, and providing complimentary registration to the SUNA Annual Conference. Recipients may become certified as an RN, NP, CNS, physician's assistant, or urology associate.

Suzette McKay Memorial Excellence in Urologic Nursing Award

This Memorial Award is given each year to a member who displays excellence in urologic nursing practice and advocates for patients.

Various industry-sponsored scholarships for workshops and education are also available.

Urologic nurses care for patients across the lifespan, providing guidance and treatment for a variety of urologic diseases and concerns.

Recognizing the need to advance urologic nursing practice and create a continuum of knowledge, the Society of Urologic Nurses and Associates (SUNA) formed the SUNA Foundation.

Committed to propelling urologic nursing care, the foundation offers many opportunities for SUNA members by funding urologic nursing research, scholarships, and educational programs.

Gifts from donors like you will help urologic nurses and associates research their ideas, further their nursing education, and seek specialized training. Patients will ultimately benefit from their expanded knowledge and expertise.

The SUNA Foundation welcomes contributions from SUNA members, corporations, and other individuals. Complete the attached form to make your donation.

Contact the SUNA National Office at 888-TAP-SUNA (827-7862) for application instructions.
