Limited Time Credentials ✕

Temporary guest credentials only last as long as your browser session and you may lose access if you navigate away or restart your browser.

We highly recommend using one of the Single Sign-On (SSO) providers instead, especially if you intend to attend multiple sessions.

Do you still wish to sign in as a temporary guest?

Polling Questions

1. Click on Polling tab. If your session does NOT have polling, you will not see this tab in the panel.
2. Click on Attendees

3. Click on text of question and complete it yourself, then results will show.

You can place iPad next to speaker so he/she can see results and speak to them.
"As I can see, 100% of you believe the sky is blue"
